evidence of crimes related to Covid and the vaccines. This applies across the board in the UK: evidence of these crimes was suppressed everywhere, under the purview of Operation Talla (spelling). Hundreds of thousands of pieces of evidence and testimony were ignored, police investigations not pursued, which also included evidence involving deaths of the elderly in carehomes due to Midazolam over-administration, and Covid vaccine harms and deaths. **Citizens had simply no redress in law**. In 3 days from the issuance of the video below, which is tomorrow, December 1, Sexton will present the suppressed evidence to the public in video format.

We recommend listening to the entirety of his 10-minute presentation below.
